Terms

50% deposit due upon placement of order, balance due upon delivery of completed job.

Files should be provided in high resolution, "print ready" form, preferably 300 dpi, TIFF or JPEG. Please inquire about other formats. May be provided on CD or sent via e-mail or FTP upload.

Photography, scanning and/or digital adjustment of files *may* be available (please inquire) and will be charged at $35/hr. ($35 minimum).

Other select archival fine art papers available by special order. Contact us for more details.

Studio 68 has the utmost confidence in the high quality results obtained from ColorByte's Imageprint colour management software, which employs colour profiles that have been developed to exacting standards based on the type(s) of paper used. Outside of that provided by the software, we do not take any responsibility for colour management of the files as provided to us.
